TWO COUNCILS

In Terre Haute and in Albany by Labor Chiefs Are in Session.

Adopting a Plan of Campaign Against the Vanderbilt Roads.

Central Makes an Effort To-day to Resume Through Freight Traffic.

Labor's Hosts to Hold a Sympathetic Mass-Meeting To-morrow Night.

(SPECIAL TO THE EVENING WORLD.)
TERRE HAUTE, Ind., Aug. 25.—The Supreme Council of the Federation of Railroad Employees again went into session at 8 o'clock this morning to consider the report of the committee of three consisting of Vice-Grand Master Downey of the Switchmen, Vice-Grand Master Morrissey of the Trainmen and Grand Secretary Debs of the Firemen.

At the other sessions, the greatest privacy is maintained, and only conjecture can be formed of its outcome. The duration of the session, too, is an unknown quantity, several of the members having volunteered to say that even they did not know when it would end. "I can't tell when the Council will take a vote on the report," said a member to an EVENING WORLD correspondent, "nor can I tell what the real vote will be."

"This much I will say, however, that the report of the Committee will be somewhat of a bombshell."

Others who claim to have knowledge of inside matters say that no general strike on the Vanderbilt System will be ordered, but that it will be voted to give assistance to the strikers already out.

Mr. Housman, who is spokesman for the Council, to-day said that the public need not expect any news regarding their conference or any work until 5 or 6 o'clock this evening.

IN SESSION AT ALBANY.

Powderly Consulting with D. A. 246's Executive Board.

(SPECIAL TO THE EVENING WORLD.)
ALBANY, N.Y., Aug. 25.—General Master Workman T. V. Powderly, A. W. Wright, of Toronto; John Devlin, of Detroit, and John W. Hayes, of Philadelphia, arrived here this morning, and at 11 o'clock went into consultation with the Executive Board of D. A. 246 to discuss the existing strike situation.

Tenny's Fast Mile To-day.

Tenny, the swiftest son of Rayon d'Or and Belle of Maywood, will make an effort at Brighton Beach this afternoon to break the mile record of 1.39 3-4, made by Ten Brock against time at Louisville, Ky., May 24, 1877.

The task is a difficult one, for the Brighton course, while one of the finest in the country, is not adapted to very fast time by its conformation.

Facts as to how he really met his death were mighty hard to obtain. He was auditor of the Canarie and Rockaway Beach Railroad, which was built by his father thirty years ago.

He was married four years ago. His wife lived with him at Canarie in the summer time, but they travelled in the South during the winter.

She went away four weeks ago and he was to follow her next month. They had no children. She is supposed with the fact of the death of her husband.

Mr. Littlejohn had only one falling. He was exceedingly convivial. After Mrs. Littlejohn went away her husband invited Capt. Reid and his wife to the steamboat Julia, to room with him.

Yesterday Manager Palmer of the Madison Square Theatre, and Henry Smith, a well-known actor, visited Mr. Littlejohn. He was cheerful but nervous.

Mr. Littlejohn, his visitors, Capt. Reid and the detective, went away in the morning. They returned about 10.30 p. m., and Mr. Littlejohn and Capt. Reid saw Mr. Palmer and Smith to the hotel.
